The 21st Century Kids of F.R.A.N.K.L.I.N. After School Program

Enrollment Deadline: Friday September 14

Dear Families,

We would like to invite you to join us in attending our 21st Century Kids of F.R.A.N.K.L.I.N. After School Program beginning September 24th, 2018. The program will run from 3:00pm-5:30pm. We will feed your child a healthy snack as they arrive after their regular school day and then they will join our 21st Century Staff for an afternoon filled with fun activities with skilled professionals! There will be a shuttle bus provided at the end of the day for the students to get transported home; students must sign up for this service on their 21st Century application. If your child will not be regularly riding the shuttle bus they will need to sign up through the main office at their school.

Thanks to a partnership with the Franklin County Children's Task Force and the Mt. Blue school district, there will be NO FEE for this after school program. This application is for children who are entering Kindergarten through those entering 5th grade in Cascade Brook School, Academy Hill School, G.D. Cushing School, and W.G. Mallett School during the 18-19 school year. If your child is entering 6th grade, they will not be eligible for this program.

Beginning January 1, 2019, there will be a sliding scale FEE for this program to ensure sustainability. Fundraising opportunities will be available for credit toward your child's program fee.

What do we do?

- **Dates** After school programming runs Monday through Thursday from **September 24th through a date yet to be determined in June** starting at 3:00 pm until 5:30 pm. Transportation to and from the school will be provided each day; students must sign up for this service. We will not have programming during school vacations, snow days, or when the district is closed.
- **Academic enrichment** Don't let the after school hours escape you! Research shows that 21st Century programs can support working families by keeping children engaged and safe during the hours after school. Students will be challenged with fun and exciting academic enrichment activities including tutoring, homework help, mentoring, arts (music, theater, and drama), prevention, reading, physical activities and more!
- **S.T.E.M.** Science, Technology, Engineering, and Math. Science is fun! Your child will have the opportunity to engage in hands-on learning in a way that's designed to make them want to come back day after day. Lots of excitement!!!
- **Family Friendly Fun!** You and your child will have the opportunity to attend many family and parent engagement events throughout the school year! Our first event is the Make Tracks for Kids event on October 13th, which includes the 1-mile kids run, 5K run, and a 2-mile walk. All proceeds will benefit this program!! Other family friendly events throughout the year will include Parent Focus Groups, Kids Fun Nights, the Chester Greenwood Parade, the Children's Festival, the Family Pancake Breakfast, and a wide variety of Parent Enrichment opportunities offered through the Franklin County Children's Task Force.
- **Parent Volunteering/Commitment** You will have the opportunity to volunteer in the After School Program at any time to meet your parent commitment requirements! Parents are required to volunteer at least twice throughout the school year. Volunteer activities could include snack time reading, parent advisory group participation, event preparation, newsletter writing, bulletin board creation, and much more! The opportunities are endless! To set up a date to volunteer in the program, please call 207-778-6960 and speak with the Program Coordinator or sign up at your child's site with the Site Coordinator.
